

Regulations of the use of research infrastructure funded within CePT project at MMRI PAS

1. The material scope

These Regulations specify general rules for the use of research infrastructure at Experimental Medicine Centre CePT at MMRI which falls within the responsibility of:

- a) Small Animal Magnetic Resonance Imaging Laboratory,
- b) Laboratory for Genetically Modified Animal,
- c) Toxicology Research Laboratory and
- d) Environmental Laboratory of Chemical Synthesis.

2. The use of CePT research infrastructure referred to in point 1.

- The use CePT research infrastructure at MMRI is related to the need to cover the cost of its operation according to the detailed principles and price lists which constitute the Appendices to these Regulations.
- In compliance with the principle of equal access, the cost of using CePT research infrastructure at MMRI is the same for all users.
- Price lists established in the manner which ensures the balance of the revenues from the use of the infrastructure and the costs of its operation and maintenance are available to the public on the web sites of the laboratories specified in point 1. Any changes to the price lists should be announced one year in advance to allow e.g. grant applicants to provide the data on the cost of the infrastructure use applicable at the time of their project implementation.
- The said infrastructure shall be used exclusively with the participation of the authorised employees of the aforementioned laboratories after prior arrangement of the dates and the scope of use.

3. The application of the data obtained by means of the research infrastructure referred to in point 1. If the research conducted with the use of CePT research infrastructure at MMRI involves the author's contribution by the employees or the collaborators of Experimental Medicine Centre CePT at MMRI connected with designing the research method used, these persons should be the co-authors of the papers that include such outcomes.

4. In publications which contain the data obtained with the use of the research infrastructure CePT at MMRI the following sentence shall be included: in Polish "Projekt realizowany z wykorzystaniem infrastruktury CePT zakupionej ze środków Unii Europejskiej – Europejskiego Funduszu Rozwoju Regionalnego w ramach Programu Operacyjnego Innowacyjna Gospodarka, lata 2007-2013."

in English "Project carried out with the use of the CePT infrastructure financed by the European Union – the European Regional Development Fund within the Operational Programme "Innovative economy" for 2007-2013."
