

Job Vacancy is announced  
by the Director of Mossakowski Medical Research Institute, Polish Academy of Sciences  
for the position of  
**assistant**  
in **Translational Platform for regenerative medicine**

City: Warsaw

Position: **assistant**

Scientific discipline: medical sciences

Announcement date: December 6<sup>th</sup>, 2021

Application deadline: **December 20<sup>th</sup>, 2021**

Expected date of competition results announcement: the second half of December 2021

Date of taking the position: January 2022

Link to page: <http://www.imdik.pan.pl>

Key words: adipose derived mesenchymal stem cells, neuroprotection, immunomodulation.

**Current research program of the Translational Platform for regenerative medicine:**

- long-term mesenchymal stem cell (MSC) culture protocol optimization,
- development of the criteria for evaluating the therapeutic properties of MSC derived from various sources,
- MSC metabolism assessment under various environmental conditions,
- stability of the acquired MSC phenotype,
- MSCs application in the neurodegenerative diseases therapy.

**The area of the research in which the candidate would participate:**

- interactions in the cell niche,
- MSC neural differentiation potential in different environmental conditions,
- correlation of MSC phenotype with their metabolism,
- evaluation of MSC therapeutic properties administered to the cerebrospinal fluid of patients with neurodegenerative diseases.

**Description of job position activities:**

- active participation in the scientific activities of the Translational Platform, Institute and scientific community,
- active participation in raising funds for research projects,
- publishing the research results in scientific journals of a significant Impact Factor,
- writing reports on the research carried out,
- drafting conference abstracts and scientific manuscripts, participation in seminars, courses and training,
- representing the Institute at scientific conferences.

**Requirements for the position of assistant:**

- Master's degree or equal degree in biology, biotechnology or related sciences,
- experience in the primary cell culture, mesenchymal stem/stromal cell culture derived from adipose tissue or Wharton jelly,
- knowledge of the basic methods related to the analysis of stem cells properties
- indication of Mossakowski Medical Research Institute, Polish Academy of Sciences as the first place of employment,
- fluency in English.

**Additional requirements (desirable):**

- competence in statistical methods used in scientific research,
- teamwork skills.

**We offer:**

- employment contract (full time),
- access to specialistic equipment in the Institute,
- scientific development,
- friendly work environment.

**Required documents:**

- a cover letter with the description of scientific interests,
- CV, including the education and scientific achievements, publications as well as previous employers,
- a copy of the diploma as proof of the required scientific degree.

**How to apply:**

The Application should be addressed to the Director of Mossakowski Medical Research Institute, Polish Academy of Sciences.

The applicants should submit the required documents **in electronic as well as in paper form**.

Please include the following job offer identification number in your application: **SDI-002-17/2021**.

Application deadline: **December 20<sup>th</sup>, 2021**

**Where to apply:**

Documents in electronic form (pdf format only) should be sent to the following e-mail address:

[sekretariat@imdik.pan.pl](mailto:sekretariat@imdik.pan.pl)

and the written/paper form of the application should be submitted to:

Mossakowski Medical Research Institute, Polish Academy of Sciences, ul. A. Pawińskiego 5, 02-106 Warszawa, Poland, room no. D105 (ground floor).

In order for your application to be considered, both electronic and paper application with your signature must be received by the Institute **by December 20<sup>th</sup>, 2021**.

The date of postmark is not decisive, and the applications received after the deadline will not be considered.

Anticipated result announcement date: the second half of December 2021.

Envisaged job starting date: January 2022

The competition for the post of the assistant is carried out in accordance with “*Regulations of the employment for the scientific positions in MMRI PAS*” by the Resolution of the Scientific Council of MMRI PAS of 28 November 2019.

**INFORMATION CLAUSE ON PERSONAL DATA PROCESSING**

Pursuant to Article 13 of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation), Mossakowski Medical Research Institute, Polish Academy of Sciences hereby informs:

1. The Controller of your personal data is the Mossakowski Medical Research Institute, Polish Academy of Sciences, A. Pawińskiego 5 St., 02-106 Warsaw, Poland (“MMRI PAS”)
2. The Controller has designated the Data Protection Officer who can be contacted via the following e-mail address: [dancosobowe@imdik.pan.pl](mailto:dancosobowe@imdik.pan.pl) or the post address of Controller.
3. Your personal data will be processed for the purpose of carrying out a recruitment process and selecting an employee and concluding a contract for employment at the MMRI PAS.
4. MMRI PAS processes Your personal data in relation to a legal obligation (the Article 6.1.c of the GDPR) pursuant to Article 22<sup>1</sup> § 1 of the Act of 26 June 1974 Labour Code or Your consent understood by sending them to MMRI PAS (the Article 6.1.a of the GDPR) for data not listed on Labour Code, and their application does not affect the possibility of participating in the recruitment / competition. If you do not want us to process additional data, please do not include it in the documents.
5. By submitting your candidacy, you consent to the fact that if you win the recruitment / competition, your name and surname together with information about the recommendation for employment will be posted on the MMRI PAS website.
6. Your application with personal data will be processed for period necessary for realization of purposes indicated in p. 3 - for a maximum of one month and then your application with personal data will be deleted.
7. With regard to processing of Your personal data for purposes mentioned in p. 3, Your personal data might be shared with following recipients or categories of recipients: entities supporting MMRI PAS in its business processes, in particular administrative and economic service and authorized entities.
8. Within the limits and on the terms set out in the GDPR, you have the right to request access to your personal data, rectification, deletion or limitation of processing, as well as the right to submit a declaration of withdrawal of consent to the processing of personal data at any time. Withdrawal of consent does not affect the lawfulness of the processing which was carried out on the basis of consent before its withdrawal, as well as the processing of data processed by the administrator on the basis of other provisions.
9. You have the right to lodge a complaint to the President of the Office for the Protection of Personal Data (ul. Stawki 2, 00-193 Warszawa).
